Frequently Asked Questions

Is a cake included with the party package?

Birthday cakes are not included with the party packages.

Can we bring outside food for our party?

We do not allow outside food and beverages into the park with the exception of cake and ice cream. We do make exceptions to this rule for special diet restrictions.

What is the schedule of the party?

The first 30 minutes after you check in, we get you organized and the children play some arcade games. Then, the next hour is for their pizza, soda, group photo, etc. After that, everyone plays golf, enjoys their attraction(s), and finishes in the Arcade with their tokens.

The Teen party package does not include a party captain or table time in the party room, which allows freedom and flexibility so you will not be on a schedule.

What happens if we have inclement weather?

You may reschedule your party in advance carrying your deposit over to a future date or the children will be able to play laser tag and arcade games. If you have any leftover attraction passes or tokens, you or your guests may return to use them anytime.
